

Preliminary Program 11th European Congress on Violence in Clinical Psychiatry
“Unravelling and understanding violence in clinical practice”
Thon Hotel Arena, Oslo – Lillestrøm – Norway, 24 – 26 October 2017

Wednesday 23 October 2019

15.00 – 19.00	Registration			
Evening	ENTMA ⁰⁸ & EViPRG Meetings			

Thursday 24 October 2019

08.00 – 09.00	Setting up Poster Display and Exhibition			
08.00 – 18.00	Registration			
09.00 – 18.00	Poster Display, Exhibition & WPA Art Exhibition			
Room	Norge Nord & Sør <i>Chair: Tom Palmstierna</i>			
09.00 – 09.45	Opening and Welcome: Organization Committee National and Local Representatives Congress Organizer			
09.45 – 10.30	Keynote 1 <i>Prof. Kevin S. Douglas (Canada):</i> "Violence risk assessment and management: What we know, and what we still need to focus on."			
10.30 – 11.15	Keynote 2 <i>Prof. Linda Gröning (Norway):</i> "Mental disorder and violence: A criminal law perspective."			
11.15 – 11.45	Break			
11.45 – 12.30	Keynote 3 <i>Dr. Wilma Boevink (Netherlands):</i> "Towards a Charta for collaboration between users and professionals."			
12.30 – 13.15	Keynote 4 <i>Dr. Peter de Looff (Netherlands):</i> "Predicting aggression of patients and burnout symptoms in nursing staff with the use of biosensors"			
13.15 – 14.30	Lunch			

Parallel Session 1 Room	Norge Nord Chair:	Norge Sør Chair:	Romerike Chair:	Oslo Chair:
Theme	Epidemiology and violence against staff	Assessment of risk, prevention & protective factors	Psychological approaches & interventions / child & adolescent	Training and education of staff
14.30 – 15.00	<i>Irene Weltens (Netherlands):</i> Aggression on the psychiatric ward: prevalence and causes. A systematic review of the literature	<i>Eric Noorthoorn, Stephan Gemsa, Henk Nijman, Peter Lepping, Martine Fledderus, Hein de Haan & Giel Hutschemaekers (Netherlands):</i> Outpatient coercion in psychiatry: evidence and feasibility. An narrative review of community treatment orders, psychiatric advance directives and joint crisis plans as ways to contain danger	<i>Simon Hackett (UK):</i> Treatment of Aggression in People with Intellectual Disabilities in Secure Hospital: A Randomised Controlled Feasibility Study of Interpersonal Art Psychotherapy	<i>Kalaivanan Dakshnamoorthy, Ziqiang Li, Bee Cheng Ong, Kee Huang Ng, Hao Yin, Yanan Hu, Warric Ng & Yujun Lai (Singapore):</i> Exploring Nurses' Knowledge, Attitude and Perception on Patient Aggression following the Care & Response Training Programme in Mental Health Hospital in Singapore
15.00 – 15.30	<i>Nienke Verstegen, Vivienne de Vogel, Robert Didden & Henk Nijman (Netherlands):</i> Predictors of (repeated) physical violence in a forensic psychiatric hospital	<i>Eric Noorthoorn, Patricia Mann-Poll, Annet Smit & Giel Hutschemaekers (Netherlands):</i> Pathways of seclusion reduction programs to sustainability: ten years follow up	<i>Della Derscheid & Judy Arnetz (USA):</i> Effectiveness of Behavior Emergency Response Team Recommended Interventions for Inpatient Assault and Physical Aggression	<i>Sirpa Töllli, Pirjo Partanen, Raija Kontio & Arja Häggman-Laitila (Finland):</i> A quantitative systematic review of the effects of training interventions on enhancing the competence of nursing staff in managing challenging patient behavior
15.30 – 16.00	<i>Wim Janssen & Chantal Emerenciana (Netherlands):</i> Workplace aggression against student nurses	<i>Julian Gojer, Iva Giljanovic, Sanjeevan Athavan, Caroline Kerjikian, Jane Koh, Julie Magritte (Canada):</i> Deceit, Deception, Distortion, and Dissimulation-Looking beyond the Obvious	<i>Yair Maman, Dan Sharir & Jeffrey Gardere (USA):</i> Prevention of Violence in New York City Schools: Child and Adolescent Mental Health	<i>Elkana Matuko Ogeto & Moses Ndegwa Mutiga (Kenya):</i> Strategic approaches to scale up training of psychiatric medical workers on factors associated with assaultive patients, level 5 hospital ,Ward 8 , Nakuru , Kenya
16.00 – 16.30	Break	Break	Break	Break
Parallel Session 1 Room	Akershus Chair:	Hordaland Chair:	Rogaland Chair:	Buskerud Chair:
Theme	Workshop	Workshop	Workshop	Workshop
14.30 – 16.00	<i>Diane Allen, Frank Harris & Lisa Mistler (USA):</i> Safer Environments via Collaborative Unified Response to Emergencies (SECURE) Training	<i>John Moore & Keith Reid (UK):</i> Timeline Analysis of Patient Incidents or Restraint - Using patient to patient correlation as a short term dynamic risk factor	<i>Birgit Heckermann, Joanne DeSanto Iennaco, Joy Duxbury, Sanaz Riahi & Sabine Hahn (Switzerland):</i> Dealing with patient and visitor aggression in healthcare: a workshop exploring future responsibilities in leadership	<i>Lene Lauge Berring, Nutmeg Hallett & Owen Price (Denmark):</i> A trauma-informed approach to de-escalation: working with patients to create safe environments
16.00 – 16.30	Break	Break	Break	Break

Parallel Session 2 Room	Norge Nord Chair:	Norge Sør Chair:	Romerike Chair:	Oslo Chair:
Theme	Epidemiology and violence against staff	Assessment of risk, prevention & protective factors	Race, gender, cross-cultural & ethnicity perspectives	Specific populations: child, adolescent & community ambulant care
16.30 – 17.00	<i>Gamze Sonmez (Australia):</i> Retrospective audit of behaviours of concern on an adult inpatient psychiatry unit, examining patient demographics that correlate to high rates of aggression, absconding, deliberate self & sexual harm	<i>Kevin McKenna, Eugene Meehan & Amir Niazi (Ireland):</i> Combining an aggression and violence risk assessment with a structured tiered care pathway	<i>Vivienne de Vogel (Netherlands):</i> Predicting recidivism and death in female forensic psychiatric patients. A multicentre follow-up study	<i>Stephan Gemsa, Eric Noorthoorn, Henk Nijman & Giel Hutschemaekers (Netherlands):</i> Conditional authorization: an event sequence study
17.00 – 17.30	<i>Ellen Delvaux, Emma Boonen & Lode Godderis (Belgium):</i> The prevalence of workplace aggression and its consequences on the psychological well-being of employees in elderly care settings	<i>Hulya Bilgin, Emre Çiydem, Kubra Arslanturk & Sevil Yilmaz (Turkey):</i> Student Nurses' Aggression and Violence Experiences during Mental Health and Psychiatric Nursing Clinical Practices	<i>Esa Kumpula (Sweden):</i> Nursing staff talk about violence - a matter of care and equality in forensic psychiatric care	<i>Kirsten Johansen & Frans Fluttert (Denmark):</i> Relapse prevention in patients with Bipolar disorder or Schizophrenia by identification of Early Warning Signs and risk-management by means of Early Recognition Method
17.30 – 18.00	<i>Stuart Thomson, Helena Austin & Keith Reid (UK):</i> Leave End Associated Violence Evaluation (LEAVE): staff returning from annual leave don't experience more violence	<i>Birgit Heckemann, Sabine Hahn, Joy Duxbury, Sanaz Riahi, Bridget Hamilton & Joanne DeSanto Iennaco (Switzerland):</i> Comparing settings: a survey of nurse managers exploring organizational safety culture against aggression in psychiatric and general hospitals	<i>María Guadalupe Huacuz Elías, Flor de María Gamboa-Solis & Anabella Barragán Solís (Mexico):</i> Mental health in narco war contexts. The case of Mexico	<i>Stephan Gemsa, Eddy Adolfsen, Eric Noorthoorn, Henk Nijman & Giel Hutschemaekers (Netherlands):</i> Confused persons in mental health care: experiences of institutional cooperation in a 'safety chamber'
Parallel Session 2 Room	Akershus Chair:	Hordaland Chair:	Rogaland Chair:	Buskerud Chair:
Theme	Workshop	Workshop	Workshop	Workshop
16.30 – 18.00	<i>Udo Nabitz, Melina Kappeyne van de Copello-Rakic, Jeroen Zoeteman, Thoma Marquant, Valentijn Hollander & Rogier Van Bemmelen (Netherlands):</i> A network of forensic psychiatric services in an urban setting in the Netherlands to manage violence	<i>Kerry McCubbin, Helen Clothier, Andrew Curran, Nadia Burman, David Britton, Steve Noone & Keith Reid (UK):</i> PreARMEd: Pre-incident Anticipatory Resilience and Mindfulness Education pilot suggests reduced violence against attendee staff	<i>Keith Reid, Paul Sams, Craig Newby, Kelly Hudspith, Rod Bowles, Gail Kay & Ron Weddle (UK):</i> NTW successful Restraint Reduction: total case series from large hospital trust	<i>Keith Reid, Daniel Rippon, Paul Sams, Gail Kay & Ron Weddle (UK):</i> NTW's "Positive Practice Process" (PPP) flowchart poster guides restraint prevention, planning, co-production and learning
19.00 – 20.30	Welcome Reception			

Friday 25 October 2019

08.00 – 18.00	Registration			
09.00 – 18.00	Poster Display, Exhibition & WPA Art Exhibition			
Room	Norge Nord & Sør <i>Chair: Henk Nijman</i>			
09.00 – 09.45	Keynote 5 <i>Prof. Stål Bjørkly (Norway):</i> "Evidence based violence risk management – a missing link in clinical research and practice?"			
09.45 – 10.30	Keynote 6 <i>Prof. Gerben Meynen (Netherlands):</i> "Legal insanity and free will."			
10.30 – 10.45	Presentation of the Chris Abderhalden Award for Young Researchers <i>by Sabine Hahn</i>			
10.45 – 11.15	Break			

Parallel Session 3 Room	Norge Nord <i>Chair:</i>	Norge Sør <i>Chair:</i>	Romerike <i>Chair:</i>	Oslo <i>Chair:</i>
Theme	Epidemiology and violence against staff	Humane approaches to reduce restrictive practices	Ethical, human rights and legal perspectives	Training and education of staff
11.15 – 11.45	<i>Joanne Iennaco (USA):</i> Measuring Both Sides of Aggression: Aggressive Event & Worker Exposure Characteristics in Inpatient Psychiatry	<i>Diane Allen (USA):</i> Decreasing Duration of Mechanical Restraint by Increasing Frequency of Registered Nurse Assessments and Surveillance	<i>John Conomy & Jill Mushkat Conomy (USA):</i> Adjudication of a Threat Against the Life of a President of the USA: Legal, Mental Health and Human Rights Issues	<i>Kurt Elvegård (Norway):</i> How do you succeed in the management of violent behaviour? Learnings from a research project on organizational success factors
11.45 – 12.15	<i>Lisa Mistler (USA):</i> Establishing a uniform measure of aggression and violence in emergency departments throughout New Hampshire USA	<i>Kryisia Canvin, Kathryn Berzins & John Baker (UK):</i> Understanding Key Components of Interventions to Reduce Restrictive Practices: Findings from the COMPARE Evidence Synthesis	<i>Herbert Steinboeck (Germany):</i> Forensic detention and the principle of proportionality – clinical impacts of legal change in Germany	<i>Erlend Rinke Maagerø-Bangstad (Norway):</i> Exploring outcomes from competence development in community mental health services: Empowerment and increased recognition of «feminized» skills in collaboration with psychiatric services
12.15 – 12.45	<i>Ping-I Lin & Drew Barzman (Sweden):</i> Exploring the time trend of first aggressive episodes in pediatric psychiatric inpatient units	<i>Simone Agnes Efkekmann, Jakov Gather & Georg Juckel (Germany):</i> The influence of staff attitudes towards coercion on decisions to apply coercive measures	<i>Veikko Pelto-Piri & Lars Kjellin (Sweden):</i> Social inclusion and prevention of violence. Patients', staff members' and ward managers' descriptions of meetings in psychiatric inpatient care in Sweden	<i>Ane Slaatto (Norway):</i> Experiences and effects of the basic training programme for increased safety and security for employees working in youth residential care in Norway
12.45 – 14.00	Lunch	Lunch	Lunch	Lunch
Parallel Session 3 Room	Akershus <i>Chair:</i>	Hordaland <i>Chair:</i>	Rogaland <i>Chair:</i>	Buskerud <i>Chair:</i>
Theme	Workshop	Workshop	Workshop	Workshop
11.15 – 12.45	<i>Monica McAlduff, Jane Sun & Janice Fyfe (Canada):</i> Practicing Collaborative Care Planning with Comfort Kits in interdisciplinary healthcare teams to reduce incidents of aggression & violence among patients in clinical settings	<i>Johannes Nau, Gernot Walter & Nico Oud (Germany):</i> Measuring de-escalation by using the De-escalating Aggressive Behaviour Scale (DABS)	<i>Torill Fotland, Marius Engen, Thor Egil Holtskog & Gunilla Hansen (Norway):</i> Restraint position - which one is the best?	<i>Pål-Erik Ruud (Norway):</i> Reflection on best practice in physical intervention
12.45 – 14.00	Lunch	Lunch	Lunch	Lunch

Parallel Session 4 Room	Norge Nord <i>Chair:</i>	Norge Sør <i>Chair:</i>	Romerike <i>Chair:</i>	Oslo <i>Chair:</i>
Theme	Epidemiology and violence against staff	Humane approaches to reduce restrictive practices	Ethical, human rights and legal perspectives	Training and education of staff
14.00 – 14.30	<i>Hasan Al-Omari (Jordan):</i> Physical and verbal violence against nurses working in psychiatric settings in Jordan	<i>Catherine Catherine Hupé, Caroline Larue & Damien Contandriopoulos (Canada):</i> Nursing care quality and chemical restraints: an evaluation tool	<i>Joke Harte, Ingrid van Houwelingen & Mirjam van Leeuwen (Netherlands):</i> Needs and dilemmas of caretakers who have been victimized by violence in psychiatry	<i>Thomas Nag & Gunnar Eidhammer (Norway):</i> MAP (Management of aggression problems) - a step towards a Norwegian standard regarding staff training programs
14.30 – 15.00	<i>Babak Motamedi (Iran):</i> Contributing Factors and Management of Workplace Violence Among Nurses	<i>Paul Doedens (Netherlands):</i> Expanding treatment possibilities – development of the Academic High Intensive Care model	<i>Matthé Scholten, Jakov Gather & Jochen Vollmann (Germany):</i> A conceptual framework for evaluating informal coercion and the use of treatment pressures in psychiatry	<i>Thomas Nag & Bente Sundby (Norway):</i> Evaluation of staff training in de-escalation - a cluster randomized controlled trial
15.00 – 15.30		<i>Angelika Gusewell, Gilles Bangerter, Alexia Stantzos, Emilie Bovet, Cédric Bornand & Matthieu Thomas (Switzerland):</i> Music in seclusion rooms – impact of a music listening device on patients' subjective experience	<i>Sven Rooijackers, Laura Hartman, Iris Wallenburg, Eva van Baarle, Yolande Voskes, Roland Bal & Guy Widdershoven (Netherlands):</i> Just Culture in mental health care: creating a learning environment after severe incidents	<i>Lone Viste & Kjell Kjaervik (Norway):</i> Can health professionals be a source of aggression? Reflection about self regulation
15.30 – 16.00	Break	Break	Break	Break
Parallel Session 4 Room	Akershus <i>Chair:</i>	Hordaland <i>Chair:</i>	Rogaland <i>Chair:</i>	Buskerud <i>Chair:</i>
Theme	Workshop	Special Workshop Part 1	Workshop	
14.00 – 15.30	<i>Rosalind van der Lem & Nathalie Kruit (Netherlands):</i> Neurodevelopmental disorders and responsivity to treatment in forensic outpatient psychiatry	<i>Sarah Leitch & Kevin McKenna (UK):</i> The Restraint Reduction Network : Mandatory standards for training in using restraint, focusing on reduction, prevention, and safe management.	<i>Ivan McGlen (UK):</i> An ethnomethodological exploration of police officers' use of a cognitive aid when encountering mental disorder	
15.30 – 16.00	Break	Break	Break	Break

Parallel Session 5 Room	Norge Nord Chair:	Norge Sør Chair:	Romerike Chair:	Oslo Chair:
Theme	Patients as victims & service users / family perspectives	Humane approaches to reduce restrictive practices	Specific populations: forensics	Training and education of staff
16.00 – 16.30	<i>Tonje Lossius Husum, Per Nortvedt, Reidar Pedersen & Olaf Aasland (Norway):</i> “The dark side of care”- Inadequate care, abuse and neglect in Norwegian mental health care	<i>Laura van Melle, Yolande Voskes, Sylvia Gerritsen, Lieke Zomer, Yolande Nijssen, Niels Mulder & Guy Widdershoven (Netherlands):</i> Perceived quality of care on wards for High and Intensive Care in the Netherlands	<i>Hans Joachim Salize, Harald Dressing, Barbara Horten & Andrea Giersiefen (Germany):</i> Variation of Forensic Psychiatric Systems across the EU: Concepts, Legal Frameworks and Practices in European Union Member States	<i>Katie Hodgson (Canada):</i> Bringing education to the point of care: building facilitation capacity in clinical staff and service users
16.30 – 17.00	<i>Andrew Lovell (UK):</i> Intellectually Disabled Offenders engagement with the Criminal Justice System: service user stories	<i>Lieke Zomer, Yolande Voskes, Lisette van der Meer, Jaap van Weeghel & Guy Widdershoven (Netherlands):</i> Validation of the Active Recovery Triad (ART) monitor; a model fidelity scale for long term mental health care	<i>Sylvia Gerritsen, Yolande Voskes, Petra de Leede, Savannah van Bodegom, Renske de Zwart, Laura van Melle, Sven Rooijackers & Guy Widdershoven (Netherlands):</i> Forensic High and Intensive Care: the validity of the FHIC monitor	<i>Maryline Abt (France):</i> Nursing care in psychiatry: informal movement backward an forward enter care and constraint
17.00 – 17.30	<i>Olav Nytingnes (Norway):</i> Patients experience of coercion in adult and adolescent mental health care - A new measurement scale and a model of experienced coercion	<i>Jakov Gather, Sarah Potthoff, Anna Werning, Georg Juckel, Jochen Vollmann & Matthe Scholten (Germany):</i> How do service users evaluate treatment pressures in comparison to formal coercion? Preliminary results of a qualitative empirical study	<i>Akihiro Shiina (Japan):</i> The Gray Zone in Forensic Mental Health Practices: A Delphi Study and a National Survey	<i>Sheile Mercado-Mallari (Canada):</i> Effects of a Violence Prevention Program – Education and Risk Assessment – in Acute Clinical Psychiatry. A Review of Incident and Injury Reports over an Eight Year Period Post Program Implementation
19.00 – 22.30	Congress Gala Dinner			
Parallel Session 5 Room	Akershus Chair:	Hordaland Chair:	Rogaland Chair:	Buskerud Chair:
Theme	Workshop	Special Workshop Part 2	Workshop	
16.00 – 17.30	<i>Peter Cosemans, Eric Noorthoorn, Paul Doedens & Bart Thomas (Belgium):</i> National data on coercive measures – Dutch and Flemish experiences within European General Data Protection Regulations	<i>Sarah Leitch & Kevin McKenna (UK):</i> The Restraint Reduction Network : Mandatory standards for training in using restraint, focusing on reduction, prevention, and safe management.	<i>Laura Hayos, Katie Hodgson, Graham Vardy, Steven Hughes, Emmanuel Bratsalis, Anna Palaganas, Stephen Canning, Faisal Islam & Kiran Patel (Canada):</i> Trauma-Informed De-escalation Education for Safety and Self-Protection (TIDES): Building Organization-Wide Safety through Interprofessional Training	
19.00 – 22.30	Congress Gala Dinner			

Saturday 26 October 2019

08.00 – 17.00	Registration			
09.00 – 15.30	Poster Display, Exhibition & WPA Art Exhibition			
Parallel Session 6 Room	Norge Nord <i>Chair:</i>	Norge Sør <i>Chair:</i>	Romerike <i>Chair:</i>	Oslo <i>Chair:</i>
Theme	Trauma informed care & practice	Humane approaches to reduce restrictive practices	Specific populations: forensics	Application of new technology
09.00 – 09.30	<i>Gitte Nørreskov Vase, Anne Katrine Gjerløv, Mathilda Randris Andersen, Lene Høeg & Anne L Eisenhardt (Denmark):</i> Implementing a trauma informed care approach in psychiatric wards - pilot project in psychiatry South Denmark	<i>Della Derscheid, Sabine Hahn & Joy Duxbury (USA):</i> MAVAS-R Factor Loading: Medical Staff Responses on Adult and Pediatric Inpatient Hospital Units	<i>Maaïke Van Veen, Julie Karsten, Robert-Jan Verkes & Marike Lancel (Netherlands):</i> Poor sleep is associated with aggression in forensic psychiatric patients	<i>Kathleen Delaney & Jason Earle (USA):</i> Learning to Engage with Individuals in Distress: Training for Inpatient Psychiatric Nurses
09.30 – 10.00	<i>Tilman Steinert (Germany):</i> Implementation of the German Guideline on Prevention of Coercion and Therapy of Aggressive Behaviour: Pilot Study	<i>Bridget Hamilton & Justine Fletcher (Australia):</i> Perspectives of Consumers and Staff one year after the implementation of Safewards in inpatient mental health wards in Victoria Australia	<i>Knut Langsrud, Håvard Kallestad, Arne Vaaler, Roger Almvik, Tom Palmstierna & Gunnar Morken (Norway):</i> Sleep at night and association to aggressive behaviour: Patients in a Psychiatric Intensive Care Unit	<i>William Buitter, Anne Bakker, Ragnhild Blok-Bjornsen, Rene Wubs, Cato van Halem & Martine van Bennekom (Netherlands):</i> Virtual Reality Training for Professionals to Prevent Patient Aggression: Preliminary Results of an Experimental Study
10.00 – 10.30	<i>Stephanie Carter, Emily Johnstone & Stephen Canning (Canada):</i> Enhancing CAMHs Safety Program: Creating safer spaces for staff to work and patients to recover	<i>Justine Fletcher & Bridget Hamilton (Australia):</i> Understanding variation in implementation of Safewards in 18 inpatient mental health wards in Victoria Australia using the Consolidated Framework for Implementation Research	<i>Jon Carey & Anne Aboaja (UK):</i> Forensic Aspects of Sleep	<i>Heeseung Choi, Ujin Lee & Tae Kyun Gwon (Korea):</i> Development and Evaluation of the Computer Simulation-based Interactive Communication Education (ComEd) Program
10.30 – 11.00	Break	Break	Break	Break
Parallel Session 6 Room	Akershus <i>Chair:</i>	Hordaland <i>Chair:</i>	Rogaland <i>Chair:</i>	Buskerud <i>Chair:</i>
Theme	Workshop	Workshop	Workshop	
09.00 – 10.30	<i>Maria Bauer, Axel Fors & Marianne Kristianson (Sweden):</i> Preventing workplace violence. A stress reducing approach and training with virtual reality simulation	<i>Ian Needham, Lois Moylan & Kevin McKenna (Switzerland):</i> Maledictology, swearing, verbal abuse, Theory of Civilisation, Speech Act Theory, personal sensitivity	<i>Gernot Walter, Johannes Nau & Nico Oud (Germany):</i> Root Cause Analysis: plenty roots = plenty ideas – a mindful view with the NOW-Model	
10.30 – 11.00	Break	Break	Break	Break

Parallel Session 7 Room	Norge Nord Chair:	Norge Sør Chair:	Romerike Chair:	Oslo Chair:
Theme	Assessment of risk, prevention & protective factors	Neurobiological approaches & pharmacological therapies	Specific populations: forensics	Ethical, human rights and legal perspectives – other related them
11.00 – 11.30	<i>Jasper Erwin Tolarba (USA):</i> The Role of the Psychiatric-Mental Health Advanced Practice Nurse (PMHAPN) in Early Assessment of Patient Risk and Violence Prevention	<i>Maarten Bak, Irene Weltens, Chris Bervoets, Jurgen de Fruyt, Marjan Drukker & Geert Dom (Netherlands):</i> The pharmacological management of agitated and aggressive behaviour: a systematic review and meta-analysis	<i>Marike Lancel, Jorien Engberts, Gretha Boersma & Maaïke Van Veen (Netherlands):</i> Nighttime treatment in forensic psychiatry	<i>Emre Çiydem, Ozgur Sema Culhaci, Hulya Bilgin, Zeynep Ozaslan & Seda Tek (Turkey):</i> The scope of violence in newspaper headings related to people with mental illness
11.30 – 12.00	<i>Michael Polacek (USA):</i> The Resilience Film Project: Raising Community Awareness of ACEs to Prevent Suicide	<i>Christopher Miller, Vedrana Hodzic & Eric Weintraub (USA):</i> Current understanding of the neurobiology of agitation – practical implications	<i>Petra Schaftenaar (Netherlands):</i> Keeping in contact voluntary: A study on service-users experiences and criminal recidivism in forensic psychiatric care	<i>Jorun Rugkåsa (Norway):</i> Community Treatment Orders for difficult to engage patients with psychosis: what does the evidence say?
12.00 -12.30	<i>Alejandra Caqueo-Urizar, Guillaume Fond, Alfonso Urzúa, Laurent Boyer & David Williams (Chile):</i> Violent Behavior and aggression in Schizophrenia: prevalence and risk factors. A multicentric study from three Latin-America countries	<i>Robbert-Jan Verkes, Dirk Geurt, Erik Bulten & Roshan Cools (Netherlands):</i> Impulsive-antisocial violent offenders differ from impulsive-antisocial non-offending individuals in neural connectivity during reward expectation	<i>Grainne McKenna, Neil Jackson & Claire Browne (UK):</i> Trauma exposure in a high secure male forensic population	<i>Julian Gojer, Sanjeevan Athavan ; Julie Magritte ; Iva Giljanovic; Jane Koh & Caroline Kerjikian (Canada):</i> Drug Induced Psychosis - An Unclear and Arbitrarily Defined Concept
12.30 – 13.30	Lunch	Lunch	Lunch	Lunch
Parallel Session 7 Room	Akershus Chair:	Hordaland Chair:	Rogaland Chair:	Buskerud Chair:
Theme	Workshop	Workshop	Workshop	
11.00 – 12.30	<i>Marte Katrine Weng, Daniel Lund & Robin Karlsen (Norway):</i> De-escalation, the use of verbal skills in conflict management	<i>Berry Penterman (Netherlands):</i> Prediction and prevention of aggressive incidents during outpatient crisis contacts in the ambulant mental health care	<i>Kevin McKenna, Ian Needham & Lois Moylan (Ireland):</i> Using the humanities to enhance our understanding of aggression and/or violence within mental health practice	
12.30 – 13.30	Lunch	Lunch	Lunch	Lunch

Parallel Session 8 Room	Norge Nord Chair:	Norge Sør Chair:	Romerike Chair:	Oslo Chair:
Theme	Assessment of risk, prevention & protective factors	Psychological approaches & interventions	Specific populations: intellectually disabled / learning disabilities	Specific population: learning disabilities + sexual offending violence
13.30 – 14.00	<i>Øyvind Lockertsen, Sverre Varvin, Ann Faerden, Bjørn Magne Sundsbø Eriksen, John Olav Roaldset, Nicholas G Procter & Solveig Karin Bø Vatnar (Norway):</i> Short-term risk assessment in acute psychiatry: A step towards an extended model	<i>Snorrason Jón & Gudrun Ulfhildur Grimsdottir (Iceland):</i> The Unforeseen - proaction and reaction to inpatient violence. Method of grounded theory	<i>Petri Embregts, Kim van den Bogaard & Henk Nijman (Netherlands):</i> Causes of challenging behavior: attributions and attributional styles of support staff of people with intellectual disabilities on aggressive, self-injurious and harmful sexual behaviors	<i>Henk Nijman, Diana Polhuis & Femke Jonker (Netherlands):</i> Adaptive functioning and risk management in (forensic) patients with mild intellectual disabilities or borderline intellectual functioning
14.00 – 14.30	<i>Casey Harrison (USA):</i> A Multidisciplinary System Level Approach to IPV Screening Among Obstetric Patients: A Quality Improvement Initiative	<i>Magne Ultvedt, Audun Sundby, May Hege Kristoffersen & Johnny Waerp (Norway):</i> A case study including risk management by use of Early Recognition Method (ERM) and education of staff	<i>Kim van den Bogaard & Petri Embregts (Netherlands):</i> Causes of aggressive behavior: attributions of people with a mild intellectual disability in a forensic psychiatric setting	<i>Julian Gojer, Caroline Kerjikian, Julie Magritte, Sanjeevan Athavan, Iva Giljanovic & Jane Koh (Canada):</i> Autism Spectrum Disorder and Sexual Offending
14.30 – 15.00	<i>Richard Whittington, Charlotte Pollak, Alice Keski-Valkama, Andrew Brown, Jesper Bak & Jacob Hvidhjelm (Norway):</i> EuroSTART: Variations in strengths and risk factors assessments among forensic patients in four European countries	<i>Rebecca Gillham, Claire Gatley, Grace Crawford, Gavin Evans, Virginia Kelland, Karen Orpwood, James Van-Lint, Sara Asensio & Christopher Harrop (UK):</i> An Integrated Intervention for Forensic Settings: Addressing the needs of a heterogeneous population	<i>Amber Averens, Ann-Sophie Haspel & Elizabeth Wiese-Batista Pinto (Netherlands):</i> Victimisation and Criminality of Individuals with Intellectual Disability: A Qualitative Research on a Dutch Perspectiv	<i>Erin Micale (USA):</i> Increasing Awareness and Confidence in Addressing Patient-to-Nurse Sexual Harassment and Assault
15.00 – 15.30	Break	Break	Break	Break
Parallel Session 8 Room	Akershus Chair:	Hordaland Chair:	Rogaland Chair:	Buskerud Chair:
Theme	Workshop	Workshop	Workshop	
13.30 – 15.00	<i>Roland van de Sande (Netherlands):</i> The clinical utility of evidence based risk evaluation combined with de-escalation interventions in emergency psychiatry	<i>Peter Lepping, Bevinahalli Nanjegowda Raveesh, Tom Palmstierna, Guru S Gowda, Eric O Noorthoorn (India):</i> Differences and similarities in attitudes and perceptions of coercion: Findings from research in India as compared to the European context	<i>Yolande Voskes, Petra de Leede & Guy Widdershoven (Netherlands):</i> The contribution of Moral case deliberation to the reduction of seclusion in psychiatry	
15.00 – 15.30	Break	Break	Break	Break

Room	Norge Nord & Sør <i>Chair: Henk Nijman & Tom Palmstierna</i>			
15.30 – 16.15	Keynote 7 <i>Dr. Pål Grøndahl (Norway):</i> "The terror of July 22 th of 2011: What can we learn?"			
16.15 – 16.20	Presentation of the best abstract & poster awards			
16.20 – 16.30	Closing and looking forward to the 12th conference in October 2021			
16.30 – 17.00	Farewell drinks			

Posters:

1. *Maria Jardim, Geraldo Silva Junior, Maria Capelo, Emanuelle Vasconcelos, John Varela, Oneide Oliveira, José Silva, Márcia Alves & Rita Silva (Portugal):*
Mental Health and Sociability in College Students
2. *Utaya Nakcharoen & Phawinee Butsaen (Thailand):*
Effectiveness of the Galya Individualized Competency Restoration Program (Galya-ICRP) on Competency to Stand Trial in Forensic Psychiatric Patients
3. *Anees Bahji, Arthi Chinna Meyyappan & Emily Hawken (Canada):*
Cannabinoids for the Treatment of Neuropsychiatric Symptoms of Dementia: A Systematic Review & Meta-Analysis
4. *Thomas Scheff (USA):*
An Approach to Anger
5. *Wedad Al Zakwani (Oman):*
Study of Inpatient Aggression in Psychiatry Ward at SQUH: precursors, consequences and patient characteristics
6. *Severin Grechany & Elena Lyakso (Russia):*
The relationship of behavioral symptoms in autism spectrum disorders with types of parental education in the family
7. *Nutmeg Hallett (UK):*
Measuring the violence prevention climate: the VPC-14
8. *Cletus Chijioke Chukwuleke & Kelechi Igbojiomu (Nigeria):*
Domestic violence against Domestic/Housemaids at boiling point in Nigeria
9. *Udo Nabitiz, Hans Nusselder, Jack Dekker & Jaap Peen (Netherlands):*
Treatment results of voluntary, involuntary and involuntary coercion admissions in an acute urban psychiatric clinic in the Netherlands
10. *Chonnakarn Jatchavala & Armont Vittayanont (Thailand):*
Studying higher education within restive areas of Thailand's southern insurgency: the survey of PTSD symptoms and associated factors
11. *Nico Oud, Johannes Nau & Gernot Walter (Netherlands):*
Root Cause Analysis: plenty roots = plenty ideas – a mindful view with the NOW-Model
12. *Jang-Han Lee & Eun-Byeol Go (South Korea):*
The effect of anxiety on emotional arousal and regulation in callous-unemotional adolescents
13. *Jenni Konttila (Finland):*
Violence Incident Assessment (VIA-Q)- development of an instrument to assess violence in psychiatric outpatient settings
14. *Lin Yen Ni (Taiwan):*
A survey of the Evidence-Based Nursing Practice Competencies and related factors among Registered Nurses
15. *Marie Chieze, Jane Portier, Julia Reverdin, Serge Boulguy, Michel Sabe, Adriano Zanella & Othman Sentissi (Switzerland):*
Assessing and preventing violence with the Brøset Violence Checklist© in an adult psychiatric ward
16. *Michael McCloskey & I Alexander Puhalla (USA):*
History of Childhood Abuse and Alcohol Use Disorder: Relationship with Intermittent Explosive Disorder and Intoxicated Aggression Frequency
17. *Kristina Schwartz (Denmark):*
Implementation of the revised action plan to reduce forced fixation at the psychiatric center Copenhagen
